

Howdy howdy! My name is Kate Holzmann and I'm so excited to meet you! I was born and raised in San Antonio, Texas, the youngest child & only girl after three older brothers— a childhood filled with backyard sports and lots of tough love.

Currently, I'm pursuing a Marketing degree at Texas A&M University, with a focus on Analytics & Consulting and a minor in Agricultural Economics. My time at TAMU has been incredibly enriching, from playing soccer on the Women's Club Team to being an active member of the Texas A&M Trophy Hunters Association. Driven by my passion for building relationships and serving others, I embarked on a small business development internship in eSwatini in the summer of 2023 and ran for the position of TTHA banquet officer for my senior year. As the banquet chair, I have the honor of leading our annual event, which raises funds for Texas Hunt for the Cure—a nonprofit dedicated to providing dream hunting and fishing opportunities to children and young adults facing chronic terminal or life-altering circumstances.

My role as an agent took root in high school, when I eagerly took over my family's research needs in attempts to help lighten my parents' loads. It wasn't long before I became the designated researcher, locating all of our family's vehicles, vacation rentals, apartments, and more. Throughout this process, the idea of turning this strength and hobby into a career became more and more apparent and I ended up attaining my real estate license while studying full-time at Texas A&M my junior year. I entered the field chasing my fondness for Texas land, a love I developed at a young age from my family's 3rd-generation ranch in Cestohowa, Texas.

In my free time, you'll find me trying to squeeze in hunting, fishing, fitness, traveling, or spending time with loved ones.

Serving as your agent gives me the opportunity to combine my innate inclination to help people with my skills in assessing and addressing clients' needs. I can't wait to get to know you better and introduce you to the opportunities available in this beautiful state we're lucky to call home—reach out & let's get started!
